

Vizient MidSouth announces winners of its 2016 Leadership Excellence Awards

05/04/2017

ATLANTA, Georgia—On May 4, Vizient MidSouth announced the winners of the Leadership Excellence Awards at its annual Trustee Institute event.

The purpose of this awards program is to recognize member organizations that have actively engaged with Vizient MidSouth and have achieved a certain level of excellence across the three focus areas compared to their Vizient MidSouth peers. The three focus areas include:

- Financial and operational excellence
- Clinical quality excellence
- Innovation

Awards are based on meeting threshold and performance criteria in each of the three focus areas. The top three members that meet the requirements are given awards.

“These awards give us the opportunity to recognize the excellent health care provided by our member organizations. Their successful performance in the operational, clinical and financial, and innovation focus areas translate into high quality care and service provided to patients and families in their communities, and we could not be more proud to highlight their success,” explained Dave McDonald, interim president and CEO of Vizient MidSouth.

Congratulations to the following winners for 2016!
